Redfern, NSW

Dear Grant

Compliance with Air Quality DA Conditions - Tallawong Station South Precinct

AECOM developed an Air Quality Management Plan (AQMP) for Deicorp Construction Pty Ltd for the Tallawong Station South Precinct Project.

I would like to provide confirmation by means of this letter, that all requirements relevant to Air Quality listed in DA conditions (application number SSD 10425) were considered and have been addressed in the AQMP. I confirm that the AQMP satisfies the following DA conditions relevant to Air Quality:

- C21
- C22
- C23
- D22

Yours faithfully

Julian Ward
Air Quality Scientist
