Dear Ms. Muir,

The Children's Hospital at Westmead - Multi-Storey Carpark (SSD-10434896)
Revised Staging Report, Condition A13(c) and A14

I refer to the revised Staging Report seeking satisfaction of the Planning Secretary in accordance with conditions A13(c) and A14 of SSD-10434896. I also acknowledge and thank you for your response to the Department's request for additional information.

I note that the revised Staging Report:

- has been reviewed by the Applicant, and no issues have been raised;
- contains the information required by condition A10 of the consent;
- splits the previously approved Stage 2 – Main works into two stages, that is, Stage 2 – Main works (Structure and Services) and Stage 3 – Main works (façade and landscaping),
- results in a total of three (3) construction stages.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Staging Report, Revision V04 dated 17 June 2022, is prepared in accordance with conditions A13(c) and A14 of SSD-10434896.

I remind you to submit a revised Staging Report to the Planning Secretary for approval if any changes to the approved construction Staging Report are required including any operations Staging Report.

Please note that if there is any inconsistency between the approved documents and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions or would like to seek any clarification, please do not hesitate to contact Matt Wood on 9373 2855, or at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
