

Jill McLachlan
Education Director
Blue Gum Community School
1 Rosemead Road
Hornsby, NSW 2077

Our Ref: SSD-10444-PA-21

09/12/2021

Dear Ms McLachlan,

**Blue Gum Community School (SSD 10444)
Construction Parking, Condition C15**

I refer to your on-street construction parking request submitted to the Planning Secretary in accordance with condition C15 of SSD 10444.

I understand that the construction parking request:

- is to utilise on-street light vehicles parking (no trucks);
- is only required for a period of one (1) week; and
- has been submitted to the Department prior to conducting the construction works for the two driveways.

Accordingly, as nominee of the Planning Secretary, I approve the on-street construction parking request under condition C15 of SSD 10444 from the date of this letter for ten (10) calendar days, subject to:

1. On-street parking is only allowed for up to 10 light construction vehicles.
2. On street parking is only permitted in Rosemead Road and William Street, Hornsby along the school's property with no across the street parking.
3. Local residents to be notified at least 48 hours prior to conducting the driveway works containing necessary details including a valid contact number.
4. Construction works only occur as per approved construction hours and days in accordance with condition D4 of the consent.
5. Construction staff must be briefed on the safety and other protocols for the duration of the on street parking.

I remind you to seek relevant permits or approvals from Council for on street parking, if required. I also remind you that this approval may be reviewed should there be noise, parking or traffic related complaints.

If you have any questions, please contact Matt Wood on 9373 2855.

Yours sincerely

Jake Shackleton

Director – Infrastructure Management

As nominee of the Planning Secretary
