Dear Mr Bobblier

I refer to your correspondence dated 17 March 2025 submitted via the Major Projects Portal, requesting the Planning Secretary's approval of the following experts from BA Aviation for the preparation of the Wildlife Hazard and Foreign Object Debris (FOD) Management Plans in accordance with conditions B7 and B9 of the development consent for the Luddenham Resource Recovery Facility (RRF) (SSD-10446):

- Chris Perry - Aviation Operations Manager, Principal Aviation Ecologist
- Stuart Butler - Business Manager Aviation
- Karl Robertson - Senior Business Manager, Senior Project Director, Principal Ecologist.

The Department has reviewed the nominations and information you have provided and is satisfied that these experts are suitably qualified and experienced. Accordingly, I can advise that the Planning Secretary approves the appointment of these experts to prepare the Wildlife Hazard and FOD Management Plans for the Luddenham RRF.
