Subject: Appointment of Environmental Representative

Dear Mr Bobblier

I refer to a request from Ms Elena Ivanova, Environmental & Planning Manager, Coombes Property Group, dated 28 November 2024, seeking the Planning Secretary's approval of Mr Richard Peterson of Trigaliana Environmental Pty Ltd as the Environmental Representative (ER) for the Luddenham Resource Recovery Facility (RRF) under condition A38 of the development consent (SSD-10446).

The Department has reviewed the nomination information provided and met with Mr Peterson and is satisfied that Mr Peterson is suitably independent, qualified and experienced to be appointed to the role of ER. The Department has also considered the nomination of Mr Ben Bracken as the alternate ER for the project, in the event Mr Peterson is unavailable for a period of time (e.g. due to sickness or leave arrangements). The Department is satisfied that Mr Bracken is also suitably independent, qualified and experienced for the role.

Accordingly, I can advise that the Planning Secretary approves the appointment of Mr Richard Peterson as the lead ER and Mr Ben Bracken as the alternate ER for the Luddenham RRF development.

If you wish to discuss the matter further, please contact me on 9274 6431 or via email at sally.munk@planning.nsw.gov.au.

Yours sincerely
