Subject: Updated Construction Air Quality Management Plan

Dear Mr Hogan

I refer to Mirvac Project Limited's recent correspondence regarding the Aspect Industrial Estate (SSD-10448). I understand you are seeking the Planning Secretary's acceptance of the facility's updated Construction Air Quality Management Plan, pursuant to conditions E8 and E9 of Schedule 2 of the project approval.

The Department of Planning and Environment (the Department) has reviewed the updated Construction Air Quality Management Plan and is satisfied it continues to adequately address the requirements of the relevant conditions of consent.

Accordingly, I approve the *Construction air Quality Management Plan* prepared by SLR Consulting Australia Pty Ltd and dated November 2022.

You are reminded that if there is any inconsistency between the approved documents and the conditions of approval, then the conditions of approval prevail to the extent of the inconsistency.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

Should you have any further enquiries, please contact Michael Tran on (02) 9895 6413 or via email at michael.tran@dpie.nsw.gov.au.

Yours sincerely
