Subject: **Aspect Industrial Estate (SSD-10448) Approval of Appointment of Alternate Environmental Representative**

Dear Mr Hogan

I refer to your letter dated 27 June 2022 requesting approval for the appointment of an alternate Environmental Representative (ER) to oversee the construction of the Stage 1 development of the Aspect Industrial Estate (AIE) (SSD-10448). The request has been submitted in accordance with Condition C31, Schedule 2 of the development consent.

The Department notes the alternative ER will undertake the responsibilities of the ER under Condition 31 during times of absence of the approved ER, Mr Maurice Pignatelli (approved 7 June 2022).

The Department has carefully reviewed the request and curriculum vitae of Mr Ben Bracken and considers Mr Bracken to be suitably qualified and experienced, and independent of the Stage 1 Development of the AIE. The Department hereby approves the appointment of Mr Bracken as the alternate ER for the AIE.

Please ensure that the approval is placed on the project website at the earliest convenience.

Should you have any questions in relation to this matter, please contact Bruce Zhang on 9274 6137 or [bruce.zhang@planning.nsw.gov.au](mailto:bruce.zhang@planning.nsw.gov.au).

Yours sincerely,
