

APPENDIX 5 CORRESPONDENCE WITH FORESTRY CORPORATION NSW

Annexure A – Landholder Consent

Letter of Consent – EIS and DA for Stubbo Solar Farm Road Upgrade

We, Forestry Corporation of NSW, approve the submission of an Environmental Impact Statement and all associated documentation and applications by UPC Renewables Australia Pty Ltd being documents which describe the upgrade of some sections of the Blue Springs Road as part of the Stubbo Solar Farm development under SSD-10452, on the land described in this letter.

The consent offered by this Annexure A does not authorise any disturbance to be carried out or works to take place on State forest land unless the works are described by a forest permit issued by Forestry Corporation of NSW as per section 60 *Forestry Act 2012*.
