Dear Mr Shand,

**Mosman High School Upgrade (SSD 10465)
Staging Report, Condition A9**

I refer to the Staging Report submitted to the Planning Secretary in accordance with condition A9 of the consent for the Mosman High School Upgrade (SSD 10465). I acknowledge and thank you for your response to the Department's request for additional information.

I note that the Staging Report:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition A10;
- seeks approval of staged operations of the redevelopment in 3 stages; and
- has been submitted to the Department one month before the commencement of operation of the first of the proposed stages of operation.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Staging Report, Revision 3 dated 26 November 2021, has been prepared in accordance with condition A9 of SSD 10465.

I remind you that if there are any changes to the approved Staging Report, the Applicant must submit a revised staging report for the approval of the Planning Secretary.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions or require any clarifications, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely,

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
