Hi Marie,

I have just left you with a voicemail message.

Urbis are working with Woolworths to prepare a SSD Application to DPIE for a new Woolworths Customer Fulfillment Centre at Marrickville.

As part of the SEARs issued by DPIE it requests that we consult with the Environment, Energy and Science Group. I am reaching out to seek understanding of the scope of the EES Groups interest in the proposal and see if we can co-ordinate a meeting with you next week either the afternoon of Monday 17th August or morning of Wednesday 19th August.

To provide you with some background of the application and inform your response I have attached the SEARs Scoping Report which provides an outline of the project, as well as the SEARs issued by DPIE which include the requirement to consult with the EES Group.

I look forward to hearing from you and co-ordinating a time for our meeting.

Kind Regards

DANIELLE BLAKELY
