**Subject:** RE: Response to Submissions received - Woolworths Warehouse and Customer Fulfilment Centre, Marrickville (SSD-10468) - Request for final advice/recommended conditions

Morning Patrick,

Apologies for delayed response. I've been advised as a minimum, Sydney Metro should say that the Woolworths delivery partner is to liaise with active Sydney Metro contracts to ensure that the interfaces do not impede their respective works.

It would also be good to have a condition for Sydney Metro to have a look/comment on their construction plan when it is available.

If any queries regarding above comments, please do not hesitate to contact me.

Many thanks,

**Jennifer Nguyen**
