EPA Advice on Submissions Report (June 2025) – Winterbourne Windfarm – SSD-10471

Dear Ms O'Hara,

I am writing in response to your request for the NSW Environment Protection Authority (EPA) to review the Submissions Report for the proposed Winterbourne Windfarm (Application SSD-10471) located 6.5 km northeast of Walcha within the Walcha Council Local Government Area (LGA) and Uralla Shire Council LGA.

The EPA has reviewed the following documents:

- *Winterbourne Wind Farm Submission Report (June 2025)* – prepared by ERM – 19 June 2025.

The EPA has no comments on this Submission Report.

We note that the EPA previously reviewed the *Winterbourne Wind Farm Submission Report* dated 20 September 2022 which satisfied the EPA's submission on the Project's Environmental Impact Statement dated 12 December 2022.

If you have any questions about this request, please contact Jasmine Walden on (02) 6773 7009 or via email at info@epa.nsw.gov.au.

Yours sincerely
