RE: Museums Discovery Centre - SSSA 10472- Modification 2

Dear David,

As discussed with the TAFE team, Create NSW is about to lodge a second modification to the State Significant Development Application (SSDA) for the project, so accordingly I am sending you this letter as formal notification.

The modification will not require any actions from TAFE, nor will it affect any future operations on the TAFE site.

The application covers Lot 102 DP1130271. As owner of this lot, I am providing you with this notice of the intended lodgement of a modification to the SSDA in accordance with Section 49 of the Environmental Planning and Assessment Regulation 2000.

Please note that in accordance with the regulation, a formal written land-owners consent is not required to be submitted.

Yours sincerely

Tania Alexander
