Re: SSD-7401 Management Plan Preparation.

Redirect Recycling Pty Ltd (reDirect Recycling) have prepared this letter to confirm operational management plans required under State Significant Development (SSD) number 10474 (SSD-10474) were reviewed following the Independent Environmental Audit (IEA) completed by KPMG in October 2024.

1. OPERATIONAL MANAGEMENT PLANS

The Operational Environmental Management Plan (OEMP) and sub-plans for SSD-10474 were reviewed by reDirect Recycling in accordance with Schedule 2, Part C, Condition C5 of SSD-10474.

Management plans required for the operation of SSD-10474 (as modified) are listed in **Table 1**.

2. CONCLUSION

Redirect have considered all findings of the KPMG 2024 IEA and deemed all plans remain fit for purpose; no changes were deemed necessary. A record of each review has been recorded on the document control page of each operational management plan.

Updated versions of each management plan have been uploaded to the reDirect Recycling website.

Please do not hesitate to contact the undersigned for any further information.

Yours sincerely

reDirect Recycling Pty Ltd

James Sutton

Environmental Manager
