Dear Ms Dorocińska

Request for Secretary's Environmental Assessment Requirements (SEARS) for Sydney Business Park - Stage 3 Facilities Project (SSD 10477)

I am writing to you in response to a request received by the Heritage Council of NSW from Phil Jones Environmental Planning relating to the preparation of the Environmental Impact Statement for the above-mentioned project. I understand this is to be treated as a request for SEARS input and the response is to be provided to you.

Following a review of the scoping report for this project, I can confirm the subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. Further, the site does not contain any known historical archaeological deposits. Therefore, no referral to the Heritage Council of NSW is required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

If you have any questions regarding the above advice, please contact Gary Hinder, A/Senior Heritage Assessment Officer, at Gary.Hinder@environment.nsw.gov.au or on 9873 8547.

Yours sincerely
