Out-of-Hours Work (OOHW) Request, Condition C4(e)**

Dear Mr Elvish

I refer to your OOHW request seeking the Planning Secretary's approval under condition C4(e) of SSD-10822510. I acknowledge and thank you for your response to the request for additional information.

I note the OOHW request:

- was reviewed by the Applicant, and no issues were raised to the Department;
- relates to installation of a bridge and ancillary works, with traffic arrangements and diversions on Botany Street, Randwick;
- is for the period outside standard construction on Friday 14 June 2024 from 8pm to 8am Saturday 15 June 2024, and Saturday 15 June 2024 from 5pm to 5am Monday 17 June 2024; and
- has been submitted to the Department before conducting the proposed OOHW.

As nominee of the Planning Secretary, I approve the OOHW request, under condition C4(e) of SSD-10822510, outside standard construction hours on Friday 14 June 2024 from 8pm to 8am Saturday 15 June 2024, and Saturday 15 June 2024 from 5pm to 5am Monday 17 June 2024, subject to:

1. Implementing all noise control measures including relevant staff/employee induction, briefings, supervision, etc.
2. Managing any community or stakeholder complaints or concerns as per your established complaints management system under the project Construction Environmental Management Plan

As nominee of the Planning Secretary, I also approve back-up contingency dates of Friday 21 June 2024 from 8pm to 8am Saturday 22 June 2024, and Saturday 22 June 2024 from 5pm to 5am Monday 24 June 2024, subject to points 1. to 2. listed above, if the OOHW cannot be undertaken on the above approved dates.

Please notify the Department if the OOHW could not be conducted due to inclement weather, logistics, or any other justified reasons.

Please note that this approval may be reviewed should there be noise, parking, or traffic complaints, or if the works are not implemented as per the approved OOHW application.

You are reminded that if there are any inconsistencies between the approved OOHW application and the conditions of consent, the conditions will prevail.

Also, please make the OOHW request with supporting documents available for public access on the project website at the earliest convenience.

If you have any questions, please contact Jeremy Martin at jeremy.martin@dpie.nsw.gov.au.

Yours sincerely
