I refer to the Construction Worker Transportation Strategy (CWTS) submitted to the Planning Secretary in accordance with condition, B27 of the project development consent for the Sydney Children's Hospital Stage 1 and Children's Comprehensive Cancer Centre project (SSD-10831778).

I note the CWTS:

- has been reviewed by Health Infrastructure NSW, and no issues have been raised with the Department;
- has been approved by the Certifier;
- contains the information required by the condition of consent; and
- was submitted to the Department prior to the commencement of construction works.

Accordingly, I acknowledge receipt of the Construction Worker Transportation Strategy, Revision E dated 17 August 2022, prepared by ARUP, for our information in accordance with condition B27 of SSD-10831778.

Please note that if there are any inconsistencies between the submitted documents and the conditions of consent, then the requirements of conditions of consent will prevail.

Also, please ensure you make the CWTS publicly available on the project website at the earliest convenience.

If you have any questions or wish to discuss the matter further, please contact Sam Heaton at Samuel.Heaton@dpie.nsw.gov.au.
