Subject: Heritage Management Plan – Stage 2 for Broken Hill Battery Energy Storage System

Dear Ms Brady

I refer to your submission requesting approval of the Heritage Management Plan – Stage 2, which was submitted in accordance with condition 19 of Schedule 3 of the development consent for the Broken Hill Battery Energy Storage System (SSD-11437498).

The Department notes that the Heritage Management Plan – Stage 2 has been:

- prepared in consultation with Heritage NSW; and
- contains the information required by the conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the Heritage Management Plan – Stage 2 (version V2d dated 4 August 2022) under condition 19 of Schedule 3.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kurtis Wathen on 02 8289 6981 or at [kurtis.wathen@dpie.nsw.gov.au](mailto:kurtis.wathen@dpie.nsw.gov.au).

Yours sincerely
