Subject: Pre-construction Dilapidation Survey – Broken Hill Battery Energy Storage System
(SSD-11437498)

Dear Ms Brady

I refer to your submission requesting approval of the Pre-construction Dilapidation Survey, which was submitted in accordance with condition 7 of Schedule 3 for the development consent for the Broken Hill Battery Energy Storage System.

The Department notes that the Pre-construction Dilapidation survey:

- has been prepared in consultation with Broken Hill City Council; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Pre-construction Dilapidation Survey (ADN22270A-Rev 1 dated 3 August 2022) under condition 7 of Schedule 3.

You are reminded that if there are any inconsistencies between the approved document and the conditions of consent, then the requirements of the conditions of consent prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kurtis Wathen on 02 8289 6981 or at kurtis.wathen@dpie.nsw.gov.au

Yours sincerely
