Subject: Noise, Blast and Vibration Management Plan

Dear Mr Woodbury

I refer to the Noise, Blast and Vibration Management Plan submitted in accordance with Condition B5, Schedule 2 of the consent for the Deep Creek Quarry Project (SSD-11591659). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the Noise, Blast and Vibration Management Plan (dated 20 July 2026).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact James McDonough on 02 9585 6313.

Yours sincerely
