Dear Mr. Jury,

**Upgrade to North Sydney Public School (SSD-11869481)
Staging Report – Condition A9**

I refer to the Staging Report submitted in accordance with condition A9 of SSD-11869481. I also acknowledge and thank you for your response to the Department's email request for additional information.

I note that the Staging Report:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition A10; and
- has been submitted to the Department prior to the commencement of Stage 1 operation.

I also note that the Certifier has issued an interim Occupation Certificate (OC).

As nominee of the Planning Secretary, I am satisfied that the Staging Report, Version 3 dated 22 July 2022, has been prepared in accordance with condition A9 of SSD-11869481.

You are reminded to implement the safety mitigation measures as outlined in the Staging Report throughout construction and sequential roll out of operational stages of the development. If there are any changes to the approved Staging Report, a revised staging report must be submitted to the satisfaction of the Planning Secretary.

Please note that if there is any inconsistency between the approved documents and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions, please contact Matt Wood, who can be contacted at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
