Subject: Crows Nest Over Station Development Site C – Construction Traffic Management Plan

Dear Mr Jones,

I refer to your submission, dated 19 September 2022, of the Crows Nest Over Station Development Site C – Construction Traffic Management Plan, Revision 8 dated 7 July 2022 (the CTMP). I also acknowledge your response to the Department's review comments and request for additional information.

I note the CTMP:

- has been prepared in consultation with North Sydney Council and Transport for NSW; and
- has been reviewed by proponent and no issues have been raised with the Department.

You are reminded that if there are any inconsistencies between the CTMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Grant Rokobauer at grant.rokobauer@dpie.nsw.gov.au.

Yours sincerely
