Subject: Community Consultation/Communications Strategy - Crows Nest Over Station Development
Site C - Stage 2

Dear Mr Jones,

I refer to your submission dated 7 October 2022, requesting approval of the Community Communications Strategy, Revision 3, dated 15 July 2022 (the CCS) as a Community Consultation Strategy under Condition B52 of SSD-13852803.

I note you have elected to apply a CCS for SSI 7400 to the subject project in accordance with Condition B51(a) of SSD 13852803.

Accordingly, as nominee of the Planning Secretary, I approve the CCS.

Please note that, notwithstanding the title of the CCS, the strategy must be applied in a manner that results in stakeholders being consulted (as described in the IAP2 Public Participation Spectrum attached) and not merely informed.

You are reminded that if there are any inconsistencies between the CCS and the conditions of approval, the conditions prevail.

Please ensure you make the CCS publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Grant Rokobauer at grant.rokobauer@dpie.nsw.gov.au

Yours sincerely

Grant Brown

As nominee of the Planning Secretary

IAP2 Spectrum of Public Participation

IAP2's Spectrum of Public Participation was designed to assist with the selection of the level of participation and the public's role in any public participation process. The Spectrum is used internationally, and it is found in public participation plans around the world.

INCREASING IMPACT ON THE DECISION					
	INFORM	CONSULT	INVOLVE	COLLABORATE	
PUBLIC PARTICIPATION GOAL	To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.	To obtain public feedback on analysis, alternatives and/or decisions.	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.	To make the public an integral part of the decision-making process.
PROMISE TO THE PUBLIC	We will keep you informed.	We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision.	We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.	We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible.	We will make you an integral part of the decision-making process.
