Friday, 11 February 2022

Attn: Brent Devine  
Major Projects Team  
Department of Planning and Environment

Submitted via Major Projects Planning Portal

Dear Brent,

**St Philip's Christian College Charmhaven**

I write on behalf of my client, St Philip's Christian Education Foundation, in relation to the above project (SSD-14082938)

Further to my email dated 2 February 2022 and our phone conversation on 3 February 2022, I understand changes to the proposed design of the school since lodgment of the original Scoping Report for the project warrant the issue of updated SEARs.

Consequently, could you please re-issue SEARs based on the enclosed updated Scoping Report and site master plan.

If you have any queries regarding this information, please do not hesitate to contact me as below.

Yours sincerely,

Andrew Donald
