Dear Ms Chu

**Major Projects – New Request for Advice - New High School in Bungendore (SSD-14394209)  
(Queanbeyan-Palerang Regional Council)**

Thank you for your request for Biodiversity and Conservation Division (BCD) to review the Response to Submissions and Amendment Report for the New High School in Bungendore SSD 14394209. BCD have reviewed the documents in relation to our previous advice and provide the following additional information.

It is noted that all infrastructure on lots which are flood prone will be located outside of the Probable Maximum Flood extents and above the Flood Planning Level. If any additional infrastructure is proposed on flood prone land in the future, formal approval should be sought from Council.

If you have any further questions about this issue, please contact Ms Tania Ashworth, Senior Conservation Planning Officer, South East BCD, on 02 6229 7921 or at [tania.ashworth@environment.nsw.gov.au](mailto:tania.ashworth@environment.nsw.gov.au).

Yours sincerely

28/09/2022

Michael Saxon  
**Director South East  
Biodiversity and Conservation Division**
