Dear Mr. Lewis,

**New Education Campus at Jindabyne (SSD-15788005)
Revised School Transport Plan, Condition A14, D25**

I refer to the revised D25 School Transport Plan (STP) submitted to the Planning Secretary for approval in accordance with condition A14, schedule 2 of the project development consent for the new education campus at Jindabyne (SSD-15788005).

I note that the STP:

- was reviewed by the Applicant, and no issues were raised; and
- provides an updated framework for the implementation of interim traffic and travel management measures for the campus, based on monitoring and site observations carried out during term 1 2025, while permanent road and pedestrian infrastructure is being built.

Accordingly, as a nominee of the Secretary, I approve the revised D25 STP, Revision OSTP_Rep02D02, dated 2 May 2025, updated by Navianto Group Pty Ltd, under condition A14 of SSD-15788005.

Please ensure that the STP is regularly updated as necessary to ensure the document is appropriate for dynamic local site conditions, fit-for-purpose, and maintains safety of road users and pedestrians.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure that the approved plan is placed on the project website at the earliest convenience.
