**New Education Campus at Jindabyne (SSD-15788005)
Revised School Transport Plan, Conditions A14, D25**

Dear Mr Lewis

I refer to the revised School Transport Plan (STP) submitted to the Planning Secretary for approval in accordance with condition D25, schedule 2 of the project development consent for the new education campus at Jindabyne (SSD-15788005).

I note the original project STP was approved by the Department on 3 February 2025 and the revised STP on 11 June 2025 under PA-26 and PA-33 respectively.

Also, I note the latest revised STP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated under condition A13(c) of the consent; and
- includes minor updates to the framework for the implementation of interim traffic and travel management measures for the campus, while permanent road and pedestrian infrastructure work are being built.

Accordingly, as nominee of the Secretary, I am satisfied that the revised School Transport Plan, Revision OSTP_Rep03F01, dated 31 July 2025, prepared by Navianto Group Pty Ltd, has been updated as per condition A14 of SSD-15788005.

Please note that if there are any inconsistencies between the approved STP and the conditions of consent, the conditions will prevail.

Also, please ensure the approved STP including the Department approval letter is placed on the project website at the earliest convenience.

If you have any questions or wish to discuss the matter further, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
