Revised School Transport Plan, Conditions A13(c), A14 & D25**

Dear Mr Lewis

I refer to the revised School Transport Plan (STP) submitted to the satisfaction of Planning Secretary in accordance with Condition A14 of SSD-15788005 (as modified).

I note that due to the ongoing road works along Barry Way, the STP has been revised to include the outcomes of the monitoring results of Term 4 2025 and changes to be implemented prior to Term 1, 2026.

Also, I note that the STP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- was developed in accordance with Condition D25 and revised under A13(c) of the consent;
- includes a consultation record with key stakeholders such as Transport for NSW regarding progression updates of construction works;
- provides updates on the interim access and traffic arrangements; and
- anticipates that the full package of road and intersection works to be completed in April 2026, with exception to street lighting works.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised School Transport Plan, Revision OSTP_Rep05F01, dated 18 March 2026, prepared by Navianto Group Pty Ltd, is prepared as per Condition A14 of SSD-15788005.

You are reminded that if there are any inconsistencies between the revised STP and the conditions of consent, the conditions will prevail.

Please ensure that the revised STP including the Department letter are placed on the project website for public access as per Condition A27 of the consent.

If you wish to discuss the matter further, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
