Construction Environmental Management Plan, Condition B15

Dear Ms Ozog

I refer to your Construction Environmental Management Plan and Sub-plans (CEMP package) submitted under condition B15 of SSD-16928008. I acknowledge and thank you for your response to the Department request for additional information.

I note the CEMP package:

- has been reviewed by the Applicant, and no issues have been raised to the Department;
- has been prepared in consultation with Council and TfNSW, where relevant;
- contains the information required under conditions B15-B18; and
- has been submitted to the Department prior to the commencement of construction works.

Accordingly, the Department has filed the Construction Environmental Management Plan, Revision A dated 7 June 2023, prepared by CPB Contractors, for our information as per condition B15 of SSD-16928008.

Please note that if there are any inconsistencies between the CEMP package and the conditions of consent, the conditions will prevail.

Also, please make the CEMP package available for public access on the project website at least 48 hours before the commencement of construction as per condition A23.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
