

ACKNOWLEDGEMENT OF COUNTRY
 We acknowledge the Traditional Custodians of Country upon which we live and work throughout Australia, and in relation to this project dwp acknowledges the Borogegal and Cammeraiagal people and we pay our respects to Elders, past, present and emerging. We recognise and respect their cultural heritage, beliefs, and relationship to the land. We are committed to our reconciliation journey. We proudly support The Uluru Statement from the Heart and encourage our colleagues and partners to join the support for the statement.

GROSS FLOOR AREA (GFA)

DEFINITION: Gross Floor Area (GFA) means the sum of the floor area of each floor of a building measured from the internal face of external walls, or from the internal face of walls separating the building from any other building, measured at a height of 1.4 metres above the floor, and includes—

- (a) the area of a mezzanine, and
- (b) habitable rooms in a basement or an attic, and
- (c) any shop, auditorium, cinema, and the like, in a basement or attic, but excludes—
- (d) any area for common vertical circulation, such as lifts and stairs, and
- (e) any basement—
 - (i) storage, and
 - (ii) vehicular access, loading areas, garbage and services, and
- (f) plant rooms, lift towers and other areas used exclusively for mechanical services or ducting, and
- (g) car parking to meet any requirements of the consent authority (including access to that car parking), and
- (h) any space used for the loading or unloading of goods (including access to it), and
- (i) terraces and balconies with outer walls less than 1.4 metres high, and
- (j) voids above a floor at the level of a storey or storey above.

AREA SCHEDULE NC (GROSS FLOOR AREA)
