Subject: Elizabeth Enterprise Precinct - Stage 1 - Endorsement of CPESC specialist

Dear Mr. Sugandi

I refer to your letter dated 19 March 2026 seeking the Planning Secretary's endorsement of a CPESC specialist to prepare an Erosion and Sediment Control Plan required under condition D29 of the Elizabeth Enterprise Precinct – Stage 1 development consent (SSD-19618251).

The Department has reviewed the CV provided with your letter and is satisfied Bradley Cole of Ochre Environmental Management Pty Ltd has suitable qualifications and experience. As nominee of the Planning Secretary, I therefore endorse their appointment to prepare the Erosion and Sediment Control Plan required under condition D29 of SSD-19618251.

Should you have any further enquiries, please contact Rosie Sweeney on (02) 9995 6613 or via email at rosie.sweeney@dpie.nsw.gov.au.

Yours sincerely
