Subject: RE: Woodlawn Advanced Energy Recovery Centre(SSD-21184278)- Reminder of Due Date for Response to Planner

Hi Sally,

SafeWork NSW will not be making comment at this time, other than to note the site will need to notify the hazardous chemicals on site under clause 348 of the Work Health & Safety Regulation 2017 as the manifest quantities specified in schedule 11 of the Regulation will be exceeded.

Thank you

Andy Battye
