Dear Anthony Ko,

Re: Jeremiah Wind Farm (SSD-22472709) – Request to withdraw Secretary’s Environmental Assessment Requirements

The Applicant for development application SSD-22472709, Jeremiah Wind Farm Pty Ltd, which is part of the Squadron Energy group of companies, hereby requests that the Planning Secretary withdraw the Secretary’s Environmental Assessment Requirements (SEARs) issued on 22 May 2025 for the proposed Jeremiah Wind Farm State Significant Development project.

Following an internal review of the project, Squadron Energy has determined that it is unable to progress the Environmental Impact Statement within the timeframe provided under the existing SEARs.

Accordingly, we request that the SEARs issued for the Jeremiah Wind Farm be formally withdrawn.

Should you require any additional information in relation to this request, please do not hesitate to contact Nadine Caff on +61 450 677 346 or via email at Nadine.caff@squadronenergy.com

Yours sincerely,
