Construction Environmental Management Plan, Condition B15

Dear Mr Stott,

I refer to the Construction Environmental Management Plan (CEMP) and supporting Sub-plans (CEMP package) submitted to the Planning Secretary as required under condition B15 of the project development consent for the Glenwood High School (SSD-23512960). I also acknowledge the response to the Department's review comments and request for additional information.

I note the CEMP package:

- has been prepared in consultation with the identified parties;
- has been reviewed by the Applicant, and no issues have been raised with the Department;
- contains the information required by condition B15 of the consent; and
- has been submitted to the Department prior to the commencement of construction works.

Accordingly, I acknowledge receipt of the updated CEMP, Revision 3 dated 3 November 2022, prepared by Richard Crookes Constructions Pty Ltd, for our information under condition B15 of SSD-23512960.

I remind you to implement the CEMP and relevant supporting plans effectively whilst undertaking construction works for the project.

Please note that if there are any inconsistencies between the submitted plans and the conditions of consent, then the requirements of the conditions of consent will prevail.

Also, please ensure you make the CEMP package publicly available on the project website at the earliest convenience.

If you have any questions or wish to discuss this matter further, please contact Lincoln de Haas at Lincoln.deHaas@dpie.nsw.gov.au.

Yours sincerely
