Subject: Federation Mine - Hazardous Materials Management Plan

Dear Mr. Williams

I refer to the Hazardous Materials Management Plan (Rev V0.4) submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under the conditions of consent for the Federation Mine. I also acknowledge your response to the Department's review comments and request for additional information.

It is noted that should the need to store or transport hazardous materials at Federation or Hera mines change, the Hazardous Material Management Plan will need to be reviewed and updated. The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in consent SSD-24319456.

Accordingly, as nominee of the Planning Secretary, I approve the Hazardous Materials Management Plan (Rev V0.4, dated 17 April 2024).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Keren Halliday, who can be contacted on 0282896444.

Yours sincerely

Stephen O'Donoghue
