Subject: Air Quality and Greenhouse Gas Management Plan

Dear Mr. Williams

I refer to the Air Quality and Greenhouse Gas Management Plan (AQGHGMP) submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under Schedule 2, condition B25 for the Federation Mine Project (SSD-24319456). The AQGHGMP has been updated to address relevant changes resulting from the Modification 2 consent approved on 27 March 2025.

The Department has no further comments on the document at this time.

You are reminded that if there are any inconsistencies between the AQGHGMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Kamarudin, Senior Planning Officer on 02 8275 1861 or email sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely
