Subject: Federation Mine - Environmental Management Strategy

Dear Mr. Williams

I refer to the Environmental Management Strategy (EMS) submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under the conditions of consent for the Federation Mine Project. The EMS has been updated to address relevant changes resulting from the Modification 2 consent approved on 27 March 2025. I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in consent (SSD-24319456).

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (V1.0, dated 13 May 2025) under Schedule 2, Condition C1.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Kamarudin, Senior Planning Officer on 02 82896444 or sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely
