Subject: Combining Hera and Federation Mine Community Consultative Committees

Dear Mr Williams

I refer to your letter dated 16 September 2023 requesting to merge the Community Consultative Committees (CCCs) required under the conditions of consent for the Federation Mine (SSD 24319456) with the CCC formed for the Hera Mine (development consent MP10_0191).

I note Condition A19 of the Federation Mine development consent provides for the CCCs of two mines to be combined, and that the Hera Mine consent must be surrendered within 12 months of the commencement of the Federation Mine. Accordingly, as nominee of the Secretary I approve the merging of the two CCCs.

If you wish to discuss the matter further, please contact Rose-Anne Hawkeswood on 9274 6324.

Yours sincerely
