Subject: Waste Rock Management Plan

Dear Mr. Williams

I refer to the Waste Rock Management Plan (WRMP) submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under the conditions of consent for the Federation Mine Project. The WRMP has been updated to address relevant changes resulting from the Modification 2 consent approved on 27 March 2025. I also acknowledge your response to the Department's review comments and request for additional information.

Accordingly, as nominee of the Planning Secretary, I approve the Waste Rock Management Plan (Rev V1.0, dated 25 July 2025) under Schedule 2, condition B43(iv).

You are reminded that if there are any inconsistencies between the WRMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Kamarudin, Senior Planning Officer on 02 8275 1861 or email sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely

Gen Lucas
