**13 March 2025**

Dear Steve,

**Re: SSD-24937520 Liddell Future Land Use and Enabling Works- Notification of commencement of development**

In accordance with Part A Condition A10 (a) of State Significant Development - 24937520 (**consent**), AGL Macquarie hereby advises the NSW Department of Planning, Housing and Infrastructure (**DPHI**) that the commencement of development under the consent is scheduled for **28 March 2025**.

The works to commence are consistent with the definition of 'preliminary works' provided in the consent. Please note no demolition or construction works as defined under the consent are scheduled to commence at this time.

Further notification will be provided in accordance with the consent for commencement of demolition and construction following compliance with the required pre-conditions.

We trust this letter meets the requirements to provide DPHI with two weeks' notice prior to the commencement of development.
