Dear Sir/Madam,

State Significant Development - Warehouse or Distribution Centre
Response to submissions
657-769 MAMRE RD KEMPS CREEK NSW 2178, 1//DP1271142

Reference is made to correspondence dated 18/08/2022 seeking a response to submissions received during the exhibition of the Environmental Impact Statement (EIS) for the above State Significant Development in accordance with the *Environmental Planning and Assessment Act 1979*.

The New South Wales Rural Fire Service (NSW RFS) has reviewed the submissions and provides the following comments;

The NSW RFS has no objections to the proposed development based on the correspondence by Peterson Bushfire, dated 4 February 2022, advising that approvals under SSD-9522 will remove grassland hazards within 50 metres and bushland hazards within 100 metres of the Ardex development site.

For any queries regarding this correspondence, please contact Simon Derevnin on 1300 NSW RFS.

Yours sincerely,

Adam Small
