**New The Forest High School (SSD-26876801)
School Transport Plan, Condition D22**

Dear Sumi

I refer to the School Transport Plan (STP) submitted to the Planning Secretary for approval in accordance with condition D22 of SSD-26876801, as modified. I acknowledge and thank you for your responses to the Department's review comments, and requests for additional information.

I note the STP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- was prepared in consultation with Northern Beaches Council and Transport for NSW, and subject to a third-party peer review by an independent traffic professional;
- provides a framework for managing traffic and transport impacts associated with the newly built school; and
- has been submitted to the Department prior to the commencement of the school operation.

Accordingly, as nominee of the Planning Secretary, I approve the School Transport Plan, Revision I dated December 2025, prepared by The Transport and Traffic Planning Associates, in accordance with condition D22 of SSD-26876801.

Please note that if there are any inconsistencies between the approved STP and the conditions of consent, the conditions will prevail.

Also, please ensure that the approved STP and the Department letter are placed on the project website at the earliest convenience.

If you have any questions, please contact Hala Fua at hala.fua@planning.nsw.gov.au.

Yours sincerely
