Subject: Amendment of Application

Dear Mr Berge

I refer to the Amendment Report which was submitted on 4/10/2023 in accordance with the Environmental Planning and Assessment Regulation [2021] (the Regulation) for Birriwa Solar Farm (SSD-29508870).

The Amendment Report has requested the following changes:

- the introduction of a 500-person temporary accommodation facility; and
- a change to the development footprint in the south-eastern corner of the site.

The department has reviewed the Amendment Report and is satisfied the proposed changes constitute an amendment to SSD 29508870.

Accordingly, I as delegate of the Independent Planning Commission approve the application for the amendment.
