Statutory Context

Justification and Permissibility

Reason why the proposal is State significant

Determination of whether the proposal is State Significant Development (SSD) is made with reference to Schedule 1 of the State Environmental Planning Policy (State and Regional Development) 2011 (NSW) (SRD SEPP). Section 20 of this SEPP states SSD applies to electricity generating works with Capital Investment Value of more than \$30 million. The estimated capital cost of the proposal is \$960 million, but a Capital Investment Value report will be required to confirm the anticipated capital cost.
