Hi Catriona,

Apologies for the delayed response, please see feedback [REDACTED] below;

Raymond Avenue Multi-level Warehouse Matraville (SSD-31552370)

Ausgrid has reviewed the EIS and in particular Appendix DD - Service Infrastructure Assessment and has no further submission at this stage.

Ausgrid notes the proponent has made an initial application for connection to Ausgrid for the new development. We encourage the proponent to continue to discuss their requirements directly with Ausgrid as needed
