Subject: Bellambi Heights BESS (SSD-33344237) - Traffic Management Plan Stage 2

Dear Mr. Brownlow,

I refer to your request for review and approval of the revised Traffic Management Plan for Stage 2 of the Bellambi Heights BESS (SSD-33344237). I also acknowledge your consultation with Transport for NSW and Mid-Western Regional Council, along with the changes made to the Traffic Management Plan following their comments.

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the relevant conditions of approval (SSD-33344237). Accordingly, as nominee of the Planning Secretary, I approve the Traffic Management Plan Stage 2 (Rev C, dated 12 November 2025) under Schedule 2, Condition B9.

You are reminded that if there are any inconsistencies between the Traffic Management Plan Stage 2 and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Scotney Moore, on 02 9274 6342.

Yours sincerely
