Subject: DHL Warehouse Gazcorp – Operational Noise Verification Report

Dear Mr Lindsay

I refer to your Noise Verification Monitoring Report, submitted to the Department for information in accordance with Condition B15 of SSD- 36156297.

The Department has carefully reviewed the Operational Noise Verification report (Rev 1 dated 11 March 2025) and notes that it:

- has been undertaken by a suitably qualified and experienced noise expert whose appointment has been endorsed by the Department;
- includes an analysis of compliance in accordance with conditioned limits; and
- has been submitted to the Department within one month of obtaining monitoring results.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the Operational Noise Verification Report Rev1 dated 11 March 2025 meets the requirements of Conditions B15.

Should you wish to discuss the matter further, please contact Katherine Klouda at Katherine.klouda@gmail.com.

Yours sincerely

Sarah Kamarudin
Acting Team Leader
