Subject: Advice on EIS State Significant Development SSD-37486043 Oakdale East Industrial Estate

Good afternoon Deana,

This email is just to advise that while we have no specific objection to the proposed development, we make the comment that this is on the basis that the Department is satisfied with the material required in the SEARs having been adequately addressed in the EIS.

We shall close this off in the Portal as 'support', but with this conditional comment above.

Kind regards,

Alan
