Dear Mr Colless

Subject: Satisfaction of Condition B3, Schedule 4 of SSD 6324– Bringelly Road Business Hub

I refer to your email dated 18 March 2016, seeking the Secretary's approval of the correspondence prepared by Dominic Steele Consulting Archaeology, dated 17 March 2016, to satisfy Condition B3, Schedule 4 of SSD 6324.

I have reviewed the information prepared to update the approved Aboriginal and Historical Archaeology Assessment, prepared by Dominic Steele Consulting Archaeology, and note that the approved development would have negligible impacts on the heritage significance of Bringelly Road.

In view of the above, I have concluded that the Aboriginal and Historical Archaeology Assessment, prepared by Dominic Steele Consulting Archaeology, dated 17 March 2016, satisfies the requirements of Condition B3, Schedule 4 of SSD 6324.

It is also note that the Heritage Interpretation Plan for Bringelly Road has recently been prepared in accordance with Condition B4, Schedule 4, and referred to the NSW Heritage Branch for consultation. You are reminded that once this plan has been accepted by the NSW Heritage Branch it must be implemented for the life of the development.

Should you have any enquiries regarding the above matter, please contact Peter McManus on 9228 6316 or via email to peter.mcmanus@planning.nsw.gov.au.

Yours sincerely,

Chris Ritchie 1/4/16.
