Green Travel Plan, Condition E12**

Dear Mr Arkell

I refer to your Green Travel Plan (GTP) submitted to the Planning Secretary under condition E12 of SSD-39005127. I acknowledge and thank you for your response to the Department's request for additional information.

I note the GTP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been prepared in consultation with Council and TfNSW; and
- contains the information required under condition E12.

Also, I note the GTP was submitted to the Department after the first increase in student numbers for which a non-compliance notification will be submitted.

Accordingly, as nominee of the Planning Secretary, I approve the Green Travel Plan, Revision 1 dated 11 April 2025, prepared by TTW (NSW) Pty Ltd, in accordance with condition E12 of SSD-39005127.

I remind you that the GTP is to be implemented effectively to promote the use of active and sustainable transport mode share targets for staff and students and updated annually as per the consent.

Please note that if there are any inconsistencies between the approved GTP and the conditions of consent, the conditions will prevail.

Also, please make a redacted copy of the GTP (removing any emails or personal information) including this letter available for public access on the project website as per condition A23.

Should you have any questions, please contact Jeremy Martin at jeremy.martin@dpie.nsw.gov.au.

Yours sincerely
